## ABOUT TIBANG

### 关于梯邦

 合作客户 **10000<sup>+</sup>**
 年生产力 **30000<sup>+</sup>** 吨

梯邦生物科技(湖北)有限公司成立于2024年,由深耕电梯行业十余年的资深创始人创立。创始人自2009年在北京创办专业电梯企业以来,积累了成熟的管理体系、严苛的质量管控标准与良好的商业信誉,以深厚的行业积淀为梯邦生物科技赋能,助力公司在生物科技领域稳健发展。

Tibang Biotech (Hubei) Co., Ltd. was established in 2024 by a seasoned founder with over a decade of experience in the elevator industry. Since founding a specialized elevator company in Beijing in 2009, the founder has developed a mature corporate management system, rigorous quality control standards, and a strong commercial reputation. Drawing on this deep industry expertise, the founder empowers Tibang Biotechnology to achieve steady growth in the biotechnology field.

#### 企业使命

以生物科技赋能电梯维保,提供环保安全保养油  
Empowering elevator maintenance with biotechnology, providing eco-friendly and safe maintenance oil.

#### 企业愿景

成为全球电梯保养油生物科技引领者  
Become a global leader in biotechnology for elevator lubricants.

#### 企业价值观

为客户创造价值;为员工创造机会;为社会创造效益  
Creating value for customers, opportunities for employees, and benefits for society.

## 绳宝

### 电梯钢丝绳保养专用油

净含量 Net Vol.: 2L

### 产品概述

绳宝电梯钢丝绳保养专用油，是梯邦生物结合电梯钢丝绳运行特性，依托生物化工核心技术研发的专属保养油，专为各类电梯钢丝绳设计，超越国标电梯钢丝绳的有关油脂要求，全方位解决钢丝绳磨损、锈蚀、卡顿、出油泥红粉等核心痛点，大幅延长钢丝绳使用寿命。

### PRODUCT OVERVIEW

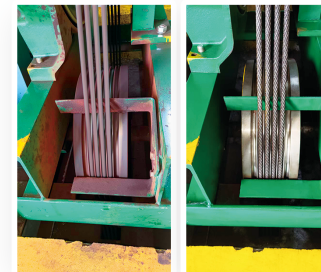

StringPro Elevator steel rope maintenance special oil is a specialized maintenance oil developed by Tibang Biotechnology based on the operational characteristics of elevator wire ropes and leveraging core biotechnology. Designed specifically for all types of elevator wire ropes, it exceeds the lubricant requirements set by national standards for elevator wire ropes. It comprehensively addresses key issues such as wear, corrosion, jamming, and the accumulation of sludge and red powder, significantly extending the service life of the wire ropes.

### 性能特点

- 具有优秀的润滑性、防锈性、渗透性和增摩效果，提供有力的摩擦动力，不必担心钢绳油多打滑；
- 防锈性好，能有效延长钢丝绳的使用寿命；
- 润滑性好，使钢丝、股绳间处于良好的润滑状态；
- 通用性强，可以适应多种品牌电梯高端钢丝绳的润滑和保护。

### PERFORMANCE FEATURES

- Excellent lubrication, rust resistance, permeability and friction-enhancing effects, provides strong friction force without the risk of slippage due to excess oil;
- Excellent rust resistance effectively, extends the service life of the wire ropes;
- Good lubrication, ensures proper lubrication between steel wires and strands;
- Highly versatile, suitable for lubrication and protection of high-end wire ropes used in various elevator brands.

# PRODUCT ADVANTAGES

## 产品优势

绳宝电梯保养专用油具备以下显著**优势**是设备维护者和管理者的最佳选择

StringPro Elevator Wire Ropes Maintenance Special Oil offers the following outstanding advantages, making it the optimal choice for equipment maintenance personnel and facility managers.

6

01

润滑养护

Lubrication maintenance

02

防锈防腐

Rust and corrosion prevention

03

清洁生锈红粉

Clean rust powder

04

解化粘固油泥

Dissolve sticky sludge

05

消除摩擦噪音

Eliminate friction noise

06

延长寿命

Extended life

## 全系列产品

### 一站式电梯保养解决方案

除核心产品绳宝电梯钢丝绳保养专用油外，梯邦还打造了全系列电梯保养专用油品，覆盖电梯运行全场景，为客户提供一站式电梯保养解决方案，无需多方采购，省心高效。

### ONE-STOP ELEVATOR MAINTENANCE SOLUTIONS

In addition to its flagship product, StringPro Elevator Wire Rope Maintenance Special Oil, Tibang has developed a comprehensive range of elevator maintenance oils designed to cover all aspects of elevator operation. This provides customers with a one-stop elevator maintenance solution, eliminating the need to source products from multiple suppliers and ensuring a hassle-free and efficient experience.

#### 绳宝 STRINGPRO

##### 电梯钢丝绳保养专用油（主机厂专供高层高速）

本品为主机厂专供高端产品，适配高层高速电梯，符合国标及原厂标准，高效清除红粉油泥、防锈防腐，润滑增摩，长效养护。

##### Elevator Steel Rope Maintenance Special Oil

This product is a premium-grade formulation exclusively supplied to original equipment manufacturers (OEMs). It is designed for high-speed lifts in high-rise buildings, complies with national standards and OEM specifications, and is highly effective at removing red-pink sludge, preventing rust and corrosion, providing lubrication and abrasion resistance, and delivering long-lasting protection.

#### 绳洁 STRINGJET

##### 电梯钢丝绳清洁专用油

快速清除钢丝绳表面油污、灰尘、铁锈，为保养油渗透奠定基础，清洁同时形成初步防护，搭配绳宝使用，保养效果翻倍。

##### Elevator Steel Rope Cleaning Special Oil

Quickly removes oil, dust, and rust from the surface of steel cables, preparing the surface for lubricant penetration. The cleaning process also provides initial protection; when used with StringPro, maintenance effectiveness is doubled.

#### 梯洁 TEEJET

##### 电梯油污清洁剂

快速溶解电梯轿厢、机房、导轨等部位的油污，清洁高效，无残留，不损伤电梯部件，保持电梯环境整洁。

##### Elevator Oil Cleaner

Quickly dissolves grease and oil stains from elevator cabins, machine rooms, guide rails, and other areas. It cleans efficiently without leaving residue or damaging elevator components, keeping the elevator environment clean.

#### 梯宝 TEEBAO

##### 电梯钢带清洁保养剂

采用温和高效配方，可快速溶解钢带表面油污、粉尘及顽固残留，清洁同时形成致密保护膜。有效滋养钢带基材，防止老化、开裂与异响，提升运行顺滑度，延长钢带使用寿命。

##### Elevator Traction Steel Belt Cleaning & Maintenance Agent

Formulated with a gentle yet highly effective formula, this product rapidly dissolves oil, dust and stubborn residues from the surface of steel belts, forming a dense protective film whilst cleaning. It effectively nourishes the steel belt substrate, preventing ageing, cracking and squeaking, improving smoothness of operation and extending the service life of the steel belt.

##### 电梯钢带清洁液

强力渗透去污，无腐蚀无残留，快速恢复钢带洁净干爽。

##### Elevator Traction Steel Belt Cleaner

Powerful penetrating cleaning action with corrosion resistance and no residue, quickly restores steel belts to a clean, dry condition.

##### 电梯缓冲器专用液压油

适配各类电梯缓冲器，具备优异的抗磨、抗氧、抗乳化性能，确保缓冲器运行灵敏、稳定，保障电梯应急缓冲安全。

##### Elevator Buffer Special Hydraulic Fluid

Suitable for all types of lift buffers, it offers excellent resistance to wear, oxidation and emulsification, ensuring the buffer operates smoothly and reliably, and safeguarding lift emergency buffering safety.

### 电梯导轨专用油

减少导轨与滑块之间的摩擦，降低运行噪音，防止导轨锈蚀，确保电梯运行平稳、顺畅，提升乘梯体验。

三种规格可选  
18L\16L\4L

#### Elevator Guide Rail Oil

Reduces friction between the guide rails and the carriage, minimises operating noise, prevents rust of the guide rails, ensures smooth and seamless lift operation, and enhances the passenger experience.

### 电梯曳引机专用齿轮油

抗磨防锈，耐高温抗氧化，长效保护齿轮，降低噪音与磨损，减少维保频次，稳定可靠。

#### Elevator Traction Machine Gear Oil

Resistant to wear and rust, with high-temperature and oxidation resistance; provides long-lasting protection for gears; reduces noise and wear; minimises maintenance requirements; stable and reliable.

### 扶手带专用清洁剂

适用于自动扶梯橡胶扶手带，用于去除扶手带表面污渍、油污，清洁同时不损伤橡胶材质。

#### Special Cleaner for Handrail Belt

Suitable for rubber handrails of escalators, used to remove stains and oil stains on the surface of handrails, and clean without damaging the rubber material.

### 扶手带专用上光剂

此款上光剂为扶手带专用护理产品，能赋予扶手带光滑质感与明亮光泽，同时对扶手带起到养护作用，有效延长扶手带使用寿命，适用于清洁后的扶手带保养。

#### Special Polishing Agent for Handrail Belt

This polishing agent is a special care product for handrails. It can endow the handrail with a smooth texture and bright luster, and at the same time maintain the handrail to effectively extend its service life, which is suitable for the maintenance of handrails after cleaning.

# CORE TECHNOLOGY

## 核心优势

### 技术 TECHNOLOGY

依托生物化工核心技术与专业研发团队，创新融合生物质能与润滑工艺，绳宝系列在润滑、防锈、增摩等性能领先行业，高效提升维保效率。

Leveraging core biotechnology and a dedicated R&D team, the StringPro series innovatively integrates biomass energy with lubrication technology. It leads the industry in lubrication, rust prevention, and friction enhancement, significantly improving maintenance efficiency.

### 品质 QUALITY

建立标准化生产体系，严控原料、生产、检测全流程。产品通过严格质量检验，符合国家及行业标准环保无味、安全稳定，可满足一线电梯品牌维保要求。

We have established a standardized production system that strictly controls every stage of the process, from raw materials to production and testing. Our products undergo rigorous quality inspections and comply with national and industry standards. They are environmentally friendly, odorless, safe, and stable, and meet the maintenance requirements of leading elevator brands.

### 服务 SERVICES

提供一对一专业咨询，快速响应客户需求；售后覆盖使用指导、维保方案、问题处理等全流程，全方位支持客户，降低维保成本。

We offer one-to-one professional consultancy and respond swiftly to customer requirements; our after-sales service covers the entire process, including usage guidance, maintenance plans and troubleshooting, providing comprehensive support to customers and helping to reduce maintenance costs.
